Roads, our vital connections

For six years, we have traveled the same roads. Country roads or city streets, we may not have given any of them a second thought, but we know their characteristics. Highway 13 is remembered for its speed zones. Highway 16 for its giant ruts. Highway 24 means dangerous curves. Highway 15 is the mainstay of the cruising route through Wabash. From our own Carr Road, widened and newly paved, we get our first glimpse of the school.

Vital to our lives as a way to fun, home, school, and friends, each of our country roads contributes to a Northfield year.

Country Roads Lead to Memories

Our roads have led to peeling out of the parking lot, going pumpkin stealing, catching 5:30 a.m. speech bus, going on hayrides, having our first flat tire, forming spirit caravans, riding crowded fan buses, going parking, cruising McDonalds and other "in" locations, "buzzing" the park, having annoying road constructions, running over giant snow drifts, sitting out at Clark's and riding the bus to school everyday.

The time we spend on our roads may be only a small piece of our world, but where "our country roads" have led makes 1978 memorable.

Living

LIVING . . . LIVING . . . LIVING.

One is born, one lives, one dies. In a nutshell that is the sequence of a life. There is, however, much more to life than those three stages. The biggest stage is the stage of living. This period of time involves many different happenings, adventures, beliefs, and ideas. The fact of going to school is a big part of these things. School creates these happenings, builds these adventures, and shapes these beliefs, and ideas. School is the center of our lives during the twelve or thirteen years we attend. It is here that we are lead to each day by "Our Country Roads."

Munch, Munch, Let's eat lunch

Although the main purpose of the cafeteria is for eating, it does serve many other purposes. For example, it's a place for birthday parties, various sales and even gab sessions. The cooks try to provide us with all the nourishment we need but sometimes we wonder just what the nourishment actually is . . . it's a challenge.

Harvey appears on N.H.S.'s stage

Harvey, the 6'½" rabbit, appeared on the N.H.S. stage on November 4th and 5th. The drama, directed by Mrs. Barb Bickel and Mr. William Rust, was a story about Elwood P. Dowd who believed that there really was a 6'½" rabbit. The members of Elwood's family tried to put him in an institution but were unsuccessful.

The Wabash Plain Dealer highly complimented the cast and crew of Harvey as does the Shield staff.

Christmas Highlights

The Christmas Dance, sponsored by the new Tri-Sigma, was a big success this year. On December 17th from 8 till 11, couples danced to the fine music of Day-break, lived on cookies, and had their pictures taken by Werking Studios. The cafeteria was beautifully decorated with red and green crepe paper, miniature Christmas trees on each table, and a decorated tree in the center of the dance floor. The enchanted atmosphere highlighted the holiday season.

"South Pacific" a Success

"Honey Bun" "Washed that man right out of her hair" with "Happy Talk?" You've got to be kidding? No, that's exactly what happened on April 27, 28, 29, as the N.H.S. Drama Department presented "South Pacific." As the house light dimmed and the curtain opened, Northfield patrons gazed at the realistic backdrop

and palm trees of the south. These were done by the Art Department. It takes hours of preparation and practice but when it's all over, one realizes it was all worth it—it was experiencing "the magic of the theatre." Congratulations to the cast, crew, and directors of "South Pacific."

"This One's For You"

Juniors spent much money and time preparing the 1978 prom for the seniors. The song, "This One's For You," said it all when 200 couples entered the transformed gym on the night of May 6. Pastel chandeliers, glittering lights, and a flowing fountain served as the gym's deceiving disguise. The lobby was dec-

orated with a dazzling gazebo where pictures were taken. Diversified music, provided by The Circus City Six and the River Band, pleased most everyone's taste. The floor was constantly occupied with couples dancing both fast and slow. The 15th annual prom held many memorable moments.

STUDENTS TOUR MEXICO

The Northfield High School Spanish classes departed for Mexico on March 30, 1978. The students toured the country with students from Fairfield. The trip included three days in Mexico City where they visited the National Cathedral, the Floating Gardens of Xochimiles, The Museum of Anthropology, and several other interesting sites. On April 3, 1978 they left Mexico City

for Taxco where they went shopping and swimming. On the morning of April 4, the group went to Acapulco where they stayed the rest of the week. The students were able to just have fun in the sun. While in Acapulco they were able to see cliff divers and they also took a cruise in the bay. The group, which arrived home on the seventh of April, had a very enjoyable time.

Graduation Finally Comes

On May 19, 1978 the 115 members of the Northfield High School Senior Class took the final step of their high school career. Judy Goff, valedictorian, and Kelly Dyson, Salutatorian, gave speeches at the graduation ceremony. Kathy Brodbeck and Lori Bever gave the invocation and benediction, respectively. Deb Winters, accompanied by Judy Goff, sang "Memories". Addy Moura gave an address and was presented with a gift from the class. Dr. Herbert Schwomeyer was the speaker. Study

STUDY . . . STUDY . . . STUDY. We have all felt at one time or another that studying is all we do. Carl Sandburg once said, "All my life I have been trying to learn to read, to see and hear, and to write . . . I am still traveling, still a seeker." In studying, we are traveling—seeking something valuable. We are growing and experiencing new ideas which determine the direction we take in the future when traveling down "Our Country Roads."

Papers, poetry, & speeches

Whether starting out in a 7th grade literature class or ending up in the short story class, one is apt to find himself reading authors such as Poe, Hemmingway, and Steinbeck. Many courses are available to the students, if they perceive the importance of the English language and

take the initiative to explore its limits. Writing term papers, giving speeches, and creating poetic work are all included in the realm of English, and are factors encountered in the classes offered at Northfield High School.

Many Courses Offered In Business Field

Mr. Donald Alexander, Mrs. Nancy Breiner (pictured on this page) and Miss Linda Landes comprised this years Business Department. The classes they taught were Typing 1 & 2, Typing 3 & 4, Personal Typing, General Business, Accounting, Office Machines, and

Office Procedures. Students in grades 9-12 were able to choose from these electives. The business courses are designed to prepare the students for the business world. Brenda Terrel was the recipient of the Outstanding Business Student award at the spring awards banquet.

“Si”, “Oui”, or “Yes”

The Foreign Language Department is a vital part of any school, and Northfield is no exception. At the Junior High level one can take a course called Introduction to Foreign Language. This course exemplifies to the students the different languages. In high school you may take either French or Spanish or both for as many years as you like. During the

first year or two one learns the basic principles of the language and then in the third and fourth years of the language one studies the specifics. This year Mr. David Cattin was added to the Foreign language staff to assist Mr. Rocco Fuschetto. Brad Baber (pictured at right) was named The Outstanding Foreign Language Student.

Science Dept. Adds New Class

The science department expanded its range in classes this year by adding an Advanced Chemistry Class. This class, all four students, had a chance to absorb a few more formulas, conclusions, and assorted general information compared to those in previous years. The class took field trips to General Tire, Eli Lilly, and the Wabash County Hospital. Other classes offered are Physics, Biology, and first year Chemistry.

Ag Plays Important Role At N.H.S.

This years Agriculture Department was led by Mr. Lonnie Harts and Mr. Joe Moody. Both of these men taught a variety of courses in the Ag. field. At the Junior High level several courses are taught in general knowledge. In High School one can take such courses as Plant and Soil Science, Animal Science, Farm Mechanics, or Farm Management. Also in the Ag Area, but not yet as farm oriented, are Horticulture and Natural Resources. Many students are active in the Agriculture program at Northfield.

Band and Choir Represent N.H.S.

Half notes, quarter rests, sharps, flats, and key signatures . . . they're all a part of the music department. Mr. Rust was in charge of the Swing, Jr. High, and High School Choirs. Mr. Miller had the Stage and High School bands. Mr. Trump was the director of the Jr. High band. Both the bands and the choirs represented Northfield at concerts and contests.

#1. Mr. Rust glances at his music before beginning to sing. #2. Mr. Miller relaxes a few minutes before preparing another half time show. #3. Mr. Trump makes plans for his next band contest. #4. Students Work Hard

Creativity and imagination stimulate the art department. Mr. Groover, at the right, discusses conflicts in design with a student. The students are required to complete various projects during the year (according to what class you take). These projects in-

clude: painting, drawing, working with clay, and even macrame. These students spend many hours preparing for art exhibits, designing backdrops, and painting bulletin boards. A great deal of work goes into these projects.

History Nuts—Plentiful

Social Studies at Northfield ranges from Indiana History to Economics. Some of the courses offered between these two are: Recent U.S. History, Asian History, Values and Issues, Psychology, and World History—to name just a few. Mr. Rex Price, Mr. Craig Winegardner, Mr. Tom Miller, Mr. John Koeler, and Mr. Ronald Clark are the veterans in the Social Studies De-

partment. These men, with the aid of their notes, books, charts, maps, and brains, can answer just about any question one could have concerning history or any other aspect of the social studies field. There are many times when students feel that the area of Social Studies is not a worth while cause but after talking to these men one could change his mind very quickly.

I.A. Designs Backdrop

Mr. Jack Weekley and Mr. Paul Jackson headed this years Industrial Arts Department. The department was quite active this year. The work that the students completed was displayed at the Honors Night Program and also the following day in the cafeteria. Mr. Weekley and several students also designed a backdrop for graduation. The large piece of canvas will be used at graduation for several years with each class designing it as they please. A big THANK YOU should be given to Mr. Weekley and his students for this fine asset to the school. In the top photo Mr. Jackson seems to be taking a moment to look over his lesson plans. Mr. Weekley, in the photo at left, checks his tool box to make sure that all is in order. Bruce Tomlinson, below, was the recipient of the outstanding Industrial Arts Student Award.

Home Economics

Several days each year one can smell mouthwatering aromas coming from the Home Ec. Department. What are these smells? Well, only the teachers, Mrs. Busch and Miss McGovern, know for sure! The department offers a wide variety of things for the students to do. For example, there are such areas as child care, nutrition, sewing, and even planning one's dream house. Each of these areas is designed to help prepare you for the future.

Whether one is taking Analytic Geometry or 7th grade Basic Math, there is always a challenge involved in this subject area. Miss Dundore teaches math at the Junior High level. She tries to prepare the students for the more advanced math they will be taking. Mr. Norman also teaches Junior High Math and some General Math Classes to older students. Mr. Christie teaches Algebra. In Algebra I he relates the basic principles of Algebra to his students. Mr. Desper teaches all

Advanced Math courses which include Geometry, Algebra II, Analytic Geometry, and Trigonometry. As a Freshman one has the option of taking General Math or Algebra I. Practical Math and Geometry are the electives for the Sophomore year. In one's Junior year, you may take any of the previously mentioned courses that one has not already taken. As a Senior one may take College Math, which includes Trig and Analytic Geometry.

P.E. Develops Body and Mind

The Physical Education Department was run by Mr. Mark Coppler and Mrs. Theresa Honeycutt. The largest part of the phys. ed. curriculum is made of participation type sports. By taking part in these activities a student not only develops physically but emotionally also. Mr.

Coppler, in the top left photo, prepares for one of his classes by getting the equipment ready. Mrs. Honeycutt, in the top right photo, writes down some grades in her grade book. Lori Frehse and Lindy Unger took this years Physical Education Awards.

The Guidance Department, headed by Miss Lana Garber and assisted by Mr. Charlie Miller, is a very important part of Northfield High School. The counselors not only talk with students but they also help to prepare schedules by giving informative speeches on the courses offered.

Miss Joan Beghtel and Mr. Robert McCaslin are at N.H.S. to help with the Pre-Vocational Training. They try to prepare their students for the future.

Another member of the Northfield staff is Miss Joy Meyer. She helps in the area of speech and hearing.

The Experience Teaches

Many Northfield students attend the Upper Wabash Vocational Career Center. The Center offers courses which provide practical training in many areas. Some of these courses include office training, beauty culture, auto mechanics, ag. mechanics, electronics, accounting and data processing, drafting, building trades, food service, and several others. Students from Northfield, Southwood, Wa-

bash, North Manchester, Peru, and North Miami attend their home school for half a day and the Career Center for the other half. A few ambitious students attend their home schools all day and enroll in a late afternoon course at the Center. Both training and valuable experience is provided for those students wishing to learn a specific trade.

Sports

SPORTS . . . SPORTS . . . SPORTS.

Perhaps the most valuable result of being in sports is . . . "the ability to make yourself do the thing you have to do, when it ought to be done, whether you like it or not; it is the first lesson that ought to be learned and however early a man's training begin, it is probably the last lesson that he learns thoroughly." Everyone, whether the spectator or the participant, eventually learns this valuable lesson. One uses this experience as he travels down his "Country Roads."

Young team improves

The 1977-78 Norsemen football struggled to a 2-8 season this year. The Norse squad finished 7th in the Three Rivers Conference. The team did, however, win their 3rd straight Homecoming game against Whites. The young team is building for a strong, tough team in the future.

Jr. High Teams Improve

The Jr. High football teams struggled this year, as they came up against the heavy competition of opposing schools. The 7th grade, coached by Mr. Charles Miller, had a 4-2 season. The 8th grade, coached by Mr. Joe Groover, had a 2-3-1 season. The future players of these teams look very promising.

Underclassmen lead runners

Although this year's Cross Country Team consisted of underclassmen, it proved to be very determined. These young athletes had great desire and determination to keep up the winning pace. Lalon Allen, Steve Shafer, Scott Kauffman, and Dave Singer were the only returning lettermen, but they led the team to a 5-11 record. These guys just would not give up and they will be returning next year—just to "run for fun."

Scott Kauffman was a leading runner for this year's Cross Country Team.

Coach Leming encouraged the boys to keep up the spirit.

Boys were presented awards at the Awards Night.

“Rowdie” Wrestlers

This years wrestling team was made up largely of underclassmen. The young team worked very hard to achieve their goals. Coaches Campbell and Deiner were very proud of the boys efforts. Rob Keafaber represented Northfield in the Regional. The team should be congratulated for all the work that put forth this year. The 1977 Varsity volleyball team ended the regular season with a 9-2 record and the Junior Varsity ended with an 8-2 record. The Varsity team was led by Seniors Deb Siders, Jeanne Draper, Jenny Deeter, Tracy Johnson, and Sherri Long. In sectional play the girls blew Huntington Catholic off the

court in two matches. In the second game the Norse girls defeated Huntington North in three matches. Norwell nipped the Norse in the final game of the sectional. Coach Honeycutt was pleased with all the effort that was put forth by the team.

Drive, Chip, and Putt

The 1978 Golf Squad, coached by Steve Desper, opened its season on April 10, 1978. The team ended the year with a 5-9 record. Jeff Draper, who was medalist at the County Golf Meet, was named "the Most Valuable Player" and also received the "Mental Attitude Award". Tony Holman was the recipient of "the Most Improved Golfer". Phil Draper was named to the All Conference Golf Squad. Coach Desper is optimistic as he looks ahead to next year's golf squad.

SECTIONAL RUNNERS UP

The Norse Varsity Basketball Team left the Huntington Sectional with the title of Sectional Runners Up. To get this title, The Norsemen had to meet and beat the Knights from Southwood. The game with Southwood was tough but the Norse came away with the 3rd Victory against the Knights in as many games. In the championship game the team was against the powerful Vikings from Huntington. The Vikes won the game to advance to the Regional. The Norse concluded the season with a 9-11 record. Coach Christie commented that because of snow the team had to play 6 games in 12 days which would definitely put pressure on any team but the Norse held up well.

Young Norse Play Well

The Freshman team, coached by Mr. Don Alexander, had a great season this year. The team finished with a record of 11-2, which is one of the best ever recorded at Northfield. Coach Alexander was quoted as saying, "... I have never coached a group of more dedicated boys who want to succeed. They have the desire and attitude to win, and they have a good future in sports."

The Jr. High teams had many games cancelled due to the severe winter, but this did not stop the young Norsemen from doing their best. The 7th grade finished with a 7-6 record and the 8th grade ended the year with a 3-10 record.

Norse Girls' Basketball Team Go To Semi-State

The 1977-78 girls' basketball team compiled an 18-3 seasonal record. Those fantastic Norse girls not only won the County and Sectional championships, but they also were named the REGIONAL CHAMP-S—a feat no other team at Northfield had ever accomplished. Later the team was beaten at

Semi-State, but nevertheless, was proud to have been on the Norse team. The girls were honored by Coach Honeycutt in Awards Night with blankets, basketballs, and key chains. Each member of the team should be complimented on their fine efforts for the season, a season no one will ever forget.

"Heads" Win

The intramural championship game was played on April 17, 1978. The two teams in the championship game were Driscoll's Doobies and Harold's Heads. The Heads, who were the underdog of the game, came out on top with a 42-39 win over the Doobies. The game contained many errors due to the long lay-off during the coal strike. Joe Calhoun was the stand-out for the Heads while Jay Busch and Chris Cammack excelled for the Doobies. Other members of the Champion Harold's Heads were Todd Schnepf, Randy Ross, Kyle Steele, Mark Losher, Steve Gill, and Mark Hicks.

Baseball Team Captures 2nd in TRC

The baseball team, led by Seniors Lindy Unger and Rod Hegel, finished the season with a 11-13 record. This was quite an accomplishment considering that the young team finished the regular season at a 2-10 mark. But in TRC action the players won 9 of their last twelve games. Behind the strong hitting of Rod Hegel, Lindy Unger, and Jay Biehl, the Norsemen captured sec-

ond place in the conference. The Norsemen feel that without the strong influence of Coach Winegardner, who was named Wabash County Coach of The Year, the team would not have had their fine come-back performance. Rod Hegel was named to the All-County First Team, Lindy Unger, Randy Kline, and Chris Arrick, were named the Second All-County Team.

Groups

Groups . . . Groups . . . Groups.

It's fine to be alone at certain times in our lives, but sharing friendships is needed especially during our school years. Students at N.H.S. express themselves in participating in the many different groups during and after school hours. The pages that follow show how groups play an important role in our lives which help lead us down our country roads.

Sometimes one might wonder what the actual purpose of the so called Shield Room is. One might think that it is a place for lonely hall monitors to meet, a place for Seniors to get together, or even a place for cake and ice cream. But underneath all the hall monitors sheets, memory books, and cake crumbs there are actually layouts, ladders, and even copy. Although there are times of fun and laughter, the Shield room does serve a useful purpose too!

Northfield School Paper, the North Star, was published at the end of every month this past year. The banner design that the paper uses, was changed this year, to make the paper look more attractive. This was designed by Tracy Johnson. The paper usually consisted of 6-8 pages. This year's student editor was Lynn Pefly. The advisor for 1977-1978 was Mrs. Clark.

S.C. sponsors exchanges

The Student Council of 1977-78 participated in many activities during the year. They sponsored the Homecoming dance and also had exchanges with Southwood, Manchester, and Peru High Schools. They helped revise the format and

rules for cheerleading tryouts. The members discussed several new ideas that could be used next year. The sponsors of the club were Mr. Neale and Mr. C. Miller. Officers were Lynne Pefley, Duane Wilcox, Lori Bever, and Kathy Brodbeck.

Parents attend Honors Tea

The National Honor Society inducted 7 new senior members and 11 new junior members on October 13, 1977. Eligibility for the honor is based upon grade point averages. A junior must have a 9.0 and a senior must have an 8.0 grade point average. A list of students meeting these requirements is submitted to the teachers to vote upon. Their decisions are determined by the qualities of character, leadership, and service. A

tea for all members and their parents followed the induction. In the library, parents, teachers, and students enjoyed getting acquainted over punch and cookies.

The National Honor Society planned a trip to Ball State University, but because of snow, was unable to attend.

The officers of the Society include: Jenny Deeter, pres; Jay Busch, V. Pres; Gina Wilson, Sec; and Brad Baber Treas.

Tri-Sigma— New Club

Tri-Sigma, the Christian girls organization of Northfield, sponsored the Christmas dance and also helped at nursing homes with elderly persons. The group talked about several money making projects, but was unable to carry out any of them because of snow. Officers were Beth Olmstead, Lisa Beals, Sara Francis, Susan Joy, and Kathy Brodbeck. The sponsor of the club was Mrs. Hunt.

Several students participated in the exploratory teachers program this year. The future teachers worked at all four elementary schools and also at Northfield. The purpose of the program was to give those students, who were interested, an opportunity to be in the position of a teacher. Miss Garber sponsored this organization.

Mr. Winegardner and Mr. Kaltenmark were the sponsors of the N-Club. The only requirement a student must possess to become a member, is to have earned a varsity letter in any sport.

Drama Club Backs Shows

The Drama Club had great intentions this year, but because of bad weather and cancellations, plans were limited. They planned to see a stage production in Chicago, attend other school's productions, and have a troupe of their own.

Backstage work, however, was done for the year's two productions. These projects included making costumes, collecting props, applying make-up, setting lights, and building the set. All of these are vital to the success of our theatre.

Team Sets Record

The Mighty Mouths, coached by Mrs. Bickel, set a new school record by advancing 13 members to the regional speech meet. At the sectional level Mary Shaw placed 3rd in humorous, Brad Baber placed 3rd in poetry. In drama, Dave McKenzie placed 6th and Gina Wilson placed 5th. Lisa Kitchen was 5th in girls extemp and Terry Staggs was 8th in boys extemp. Sheila Wilson was 6th in poetry and 7th in oratorical. Mendy Neal

and Ed Norman placed 6th in drama duo. John Chowning was 8th in oratorical and Ray Weaver was 7th in impromptu. Rick Ogan and Tim Wohlford placed 5th and 6th, respectively, in discussion. Brad Baber and Dave McKenzie were to advance to the state level but Brad was unable to attend so Sheila Wilson took his place. Congratulations Sheila and Dave for representing Northfield so well!

The club only held one party this year. On May 3, Spanish and French students gathered in the cafeteria for an evening of entertainment and fun. A slide show of the Mexico trip was shown, and

after everyone ate dinner. Mr. Fuschetto and Mr. Cattin also initiated the new members into the Spanish and French Honor Societies.

History found in the Honeywell House

The history nut of N.H.S. commonly known as Mr. Craig Winegardner, led the way for this year's History Club. The Club's purpose was to nurture understanding and interest in our local, state, and na-

tional heritage. Because of this, they chose to take a field trip, which would enrich their knowledge about our area . . . Wabash County. They toured the Wabash County Courthouse, the Eagles

Theatre, and the Honeywell House. The officers were: Lori Bever, President; Brett Chittick, Vice-President; Lynne Pefley, Secretary; and Cheri Hicks, Treasurer.

Club Goes To Salamonie

The 1977-78 Art Club was sponsored by Mr. Joe Groover. Each member had to do a painting project as a membership requirement. The group took its annual trip to Honeywell Center and Salamonie Reservoir on May 16, 1978. The students traveled first to the Honeywell Center where they critiqued an art display. At the Salamonie the group enjoyed a picnic and an afternoon of relaxation.

Mr. Marvin Mast, Mr. Rex Reahard, and Mr. Steve Desper were this years Math and Science Club sponsors. In September the club elected Mike Culver as President, Lori Bever as Vice-President, Deb Siders as Secretary, and Brad Baber as Treasurer. The Club decided on dues of \$1.00 for each member. The members of the club also decided to raise money by raffling off a calculator. A trip to Eli Lilly was funded by the money that

was made from the raffle. Approximately 20 senior students and Mr. and Mrs. Mast went on the trip. After arriving in Indianapolis at the Lilly plant, the group was shown a film. Immediately following the film the students were served lunch. The members were then divided into groups for the tours. After the tour of the plant the groups were then brought together to see a film that concluded the activities.

Library Adds New Books

New books and sock hops highlighted the library club's activities for the 1977-1978 year. Many new books totalling \$300.00 and new A.V. equipment were added to the library for not only the students

convenience but also for the teachers. The club sponsored a sock hop after the Wawasee basketball game to raise money for their annual social.

Voc. Provides Opportunities

Northfield High School has several students involved in the clubs from Vocational School. These clubs include DECA, VICA, OEA, and HOSA. Northfield is proud that Kathy Rice, Kathy Click, and Lisa Hoover represented the school at the Regional Office Education Association competition. Lisa also received the Ambassador Award at Detroit for her outstanding participation in OEA. Deb Winters, a member of HOSA, received first place in the nation at Oklahoma City in the informative speech competition Debbie was also the state vice-president of HOSA. These clubs play a vital role in the vocational program.

Club Presents Awards

On April 19th, the F.H.A. held their annual breakfast. Awards were presented to all members of the club. Girls receiving charms included: Freshmen, Laurie Samons; Sophomores, Dawn Wagner, Cindy Alexander, Tami Conrad, Vanessa Prater. Pins and guards were presented to: Juniors, Lisa Beals, Teri Blanke, Debbie Deeter, Lisa Kitchen, Sheila Wilson, Lori Wright, Tami Yentes. Senior members received a rose corsage from Mrs.

Busch and they also received a desk set from the club. These girls were: Lori Niccum, Missy Alexander, Katrina Dilling, and Teri Conrad, Lisa Hoover also received a paper weight.

Tuesday, April 4, Northfield's Future Homemakers skipped out of school for an educational trip to Nappanee. They toured Fletcher Furniture, where one of the store's buyers talked about the importance of quality, brands, and styles.

FFA Has Successful Year

Several events highlighted this year for Northfield's Chapter of the Future Farmers of America. On November 7th Rex Grossman, Barry Helvey, and Rex Beihl left for Kansas City for the 50th Annual National FFA Convention. November 30th was the departure date for the Senior FFA members to Chicago. The group visited the Board of Trade, Merchantile Exchange, the Sears Tour, and the Museum of Science and Industry. In late December the club attended a Pacer game. In February Todd Dawes, Craig Allman, and Rex

Grossman, were awarded District Proficiencies Awards. On March 23rd Todd Dawes and Rex Grossman were named Champions of the WKJG-TV Wayne Rothgeb FFA Quiz Show. This is only the second time that a team from Northfield had won. Lisa Beals was named FFA Sweetheart on April 13th. Finally, Scott Dawes, a former Northfield student was named the State Star Farmer. This is the first time that a Northfield student has received an award of that type. Northfield's FFA definitely had a successful year!

Cheerblock

Raises Spirit

This year the cheerblock consisted of around 90 members, including grades 7-12. The cheerblock purchased new uniforms, which were navy blue sweaters with a Norseman symbol in the upper left corner and the words Northfield Norsemen surrounding it. Seniors wore cream colored chords, painted to their specification. Each girl had a choice of pants, skirts, or gauchos, but all wore matching vests. Lynne Pefley was the president and the sponsor was Miss Lottie Waggoner.

FCA organizes an "Anything Goes!"

The 1977-78 officers for the boys' Chapter of the Fellowship of Christian Athletes were Mike Culver, president; Robbie Keaffaber, V-president; and Kent Dilling, secretary-treasurer. The girls' chapter of F.C.A. elected Jenny Deeter as President; Tam Deeter as v-president; Cindy White as secretary; and Beth Olmstead as treasurer. Sponsors for the group

were Mr. and Mrs. Charles Miller and Mr. and Mrs. James Kaltenmark. Meetings were held throughout the year. There were also county meetings in which all the F.C.A. chapters in the county met for fellowship.

The F.C.A. sponsored many sock-hops throughout the year which were successful. An "Almost Anything Goes" contest was held

during the last weekend in April. This involved the county F.C.A. chapters and their respective schools. This event was the first of its kind.

Last summer the boys' chapter attended an F.C.A. conference in Minnesota at St. Olaf College. The girls chapter attended a similar conference at Turkey Run State Park in April.

Members of the F.C.A. from bottom to top: Mike Culver, Jenny Deeter, Rod Hegel, Robbie Keaffaber, Debbie Siders, Lori Bever, Linda Kitchen, Beth Olmstead, Mr. Kaltenmark, Kent Dilling, Betsy Deeter, Lisa Kitchen, Tina Rogers, Jeanne Draper, Chris Kasamis,

Cheerleaders

The Norse cheerleaders worked diligently all year creating enthusiasm and raising school spirit by decorating the halls and lockers, treating the teams with surprises, and of course, making up new chants and yells to back the Mighty Norsemen teams. The cheerleaders should be congratulated for doing a tremendous and outstanding job in representing our school. We appreciate their year-long efforts.

This year the band had three sparkling auxiliary groups. These groups were the pom poms, flags, and rifles. Each of these groups attended a camp in the summer, which helped prepare them for their performances. The groups entertained the crowds at parades, football games, and basketball games. The pom poms wore royal blue body suits with silver sequins, blue and white fringe, and white boots. The flags wore royal blue and white outfits with white boots. The rifles were Karen Hentgen, Sharon Smith, Lori Beals, Mary Shaw, Linda Beals, Lori Sweet.

Band Wins First

Following the marching season the concert band was formed. The band held two concerts in the auditorium. The Winter Concert, which was cancelled twice, because of the blizzard, was finally held on Feb. 14, 1978. The Spring Concert was held on May 12, 1978. Both were very successful.

On April 29th the concert band went to Southwood High School for the annual NISBOVA contest. After many long, tedious hours of practic-

ing, the band was able to exhibit their work. The judges must have realized that the Norsemen possessed the musical touch because the band received a first rating.

At the Spring Concert several awards were given. The Outstanding Class Awards (pictured below) were as follows: Carla Yentes—Senior; Kathy Gautchi—Junior; Dan Sparling and Diane Gautchi—Sophomores; and Danette Norman—Freshman.

Sousa Award

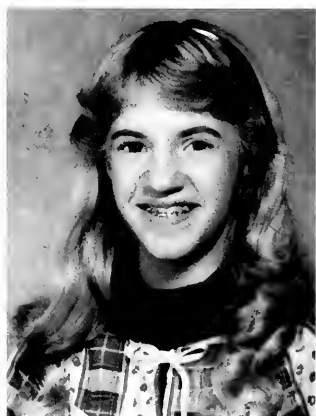

Tracy Johnson (1) was the recipient of this year's John Phillip Sousa Award. This award is presented to the outstanding senior who possesses leadership and ability, and also is recognized for their enthusiasm and dedication towards the band. Each year the band and its directors vote on who should receive this honor.

Tracy has been active in band for eight years. She participated in stage band, pep band, Honor Band, and also received honors in marching band.

Pictured at the right are the outstanding Jr. High band students. Eighth graders are Susan Pefley (3) and Lisa Brodbeck (4). Seventh graders are Harland Hauptert (5) and Racheal Grossman (6).

Choir Gives Concert

An excellent performance was given by the choir on May 9, 1978. The 7th grade choir sang "Razzle Dazzle Day" from the movie PETE'S DRAGON; "What would We Do Without Music", a new contrapuntal song written in seven different styles; and "Greenfields", a well known song from the 50's. "Rhythm of Life", a song from the musical SWEET CHARITY; "Gift of Song", a popular song from the 60's; and "The Lord Made Me The Earth and Sky", a Natalie Sleeth anthem, were the songs that the eighth grade choir sang. The varsity choir sang "A Sentimental Journey Through the 40's", a medley of songs from the 40's, "Candle on the Water", from PETE'S DRAGON; "Spread Joy" and "Love Is A Song", written by Natalie Sleeth; and the exciting choir song "Dream a Dream", by Ed Robertson.

Album

Album . . . Album . . . Album.

An album holds memories within its bonds. Whether a record album or a photo album, each possesses a special quality. A record album holds memories in words. A photo album holds memories in pictures. With the memories saved, come cherished thoughts. Thoughts of the good times spent together with friends. Each individual savors special times that no one else would understand. It is these moments that bring us together in the album as we meet each other on "Our Country Roads."

Twelve years have come and gone. On May 19, 1978 the senior class marched down the aisle as students of Northfield High School for the last time.

The 15th graduating class was led by their Valedictorian Judy Goff and Salutatorian Kelly Dyson. They both gave speeches. Kathy Brodbeck and Lori Bever gave the invocation and benediction respectively. Our foreign exchange student from Brazil, Adriana Moura, said a few words to her classmates. "Memories" was sung by Debbie Winters. The commencement speaker was Dr. Herbert Schwomeyer. He is the Dean of Students at Butler University.

For six years we were separated

as rivals in elementary school. As seventh graders we came together forming one unit—a class. It has been this class, the Class of '78, that has stayed together and shared many unforgettable times.

Now we have come to the time when once again we will be separated. But this time our separating is bonded with friendship and not inhibited with rivalry. We have the chance now to form new and exciting lives for ourselves. It is to and through our new lives that our country roads will lead us.

The class officers were as follows: Lori Bever—president, Beth Schnepf—vice president, Cheri Hicks—secretary, and Polly Plant—treasurer.

Addy's Back From Brazil

Adrianna Moura, or otherwise known as Addy, was an exchange student at Northfield the second semester of the 1978 year. Addy lived with the Smalley family while she stayed in North America. Addy is originally from Brazil, South America.

While at Northfield, Addy became involved in many extra activities, but was best known to everyone for her role as "Liat" in the spring musical.

Addy plans to return someday to enter Indiana University and become a doctor.

Addy showed us how to laugh, love, and live. She emphasized the importance of enjoying one's self. Many memories of the crazy times shared with Addy will remain special to us for a long time—We hope that N.H.S. gave Addy something in return.

The Juniors were headed by President Doug Sweet, Vice-President Lalon Allen, Secretary Debbie Deeter, and Treasurer Rosie Kramer. The class chose Lisa Beals and Craig Allman as their candidates for homecoming. The float theme was "Blue Suede Shoes," which won second place. The juniors received their class rings in October, all being a new experience. During the week of April 30 thru May 5, the class worked hard decorating the prom. The theme this year was "This One's For You." Entertainment was provided by the Circus City Six and the Riverband.

The Sophomore class elected Kent Dilling as president, Angie Good and Cambi Rensberger as co-vice presidents, Ann Breedlove as secretary, and Rex Biehl as treasurer. These important people helped organize their class party, the class float, and ring selection. The class of '80 chose the theme Jailhouse Rock for their float, and Nora Yentes and Gary Trump served as queen and king candidates.

This year's seventh grade class elected Todd Miller as president, Trisha Tyner as vice-president, Mandy Ogan as secretary, and Casey Gidley as treasurer. Their student council members were Faye Engleman and Jim Hendrichson.

After the first couple of horrendous weeks at Northfield the Class of '83 got into the swing of things. They had the class party in the Spring. Everyone seemed to have a fantastic time.

1. Mr. David Griffith smiles broadly at the thought of another day being over.

2. Newly appointed vice-principal, Mr. Bill Neale, awaits his next victim.

3. Mr. Jim Kaltenmark busily organizes his schedules as he prepares for his first year as athletic director.

4. The three happy faces of Mrs. Harris, secretary; Mrs. Yentes, treasurer; Mrs. Fleck, secretary to athletic director, helps everyone's day go smoother.

5. Mrs. Judy Miller works diligently to keep track of the students.

Administration

We owe a great deal of appreciation to the school administration. Through their endless efforts our school year was a big success, despite the snow. Superintendent Dr. Edward Kasamis and the other members of the administration have done an excellent job in maintaining an orderly school system and we thank them.

What can we say?

We've said it all, right? Never mind. Hopefully, in this book, we have captured the highlights and the fondest moments of the 1977-78 school year. If any one or any event has been omitted, we apologize. Constructing a yearbook is quite an undertaking, but we did it all for you.

We would like to thank Mrs. Kitt and Mr. Werking for putting forth such great effort.

Good luck Lisa and Ruth . . . you're going to need it! Yearbooks are work, but they're also a lot of fun. Enjoy it. We hope you meet your deadlines, have a dedicated staff, and no problems with Mr. Glaze.

In years to come, we hope you flip through this book and remind yourself of all the special times on "Our Country Roads."

Respectfully,

Lori
E.
Beth
